

# **GWTA Chapter 'P' Benefit ride For Barbara "Bobbi" Dunn**

**Barbara Dunn was involved in a single trike accident on Sunday, May 30, 2004 in Oregon. As of June 27<sup>th</sup>, she was just beginning to be aware of her surroundings and trying to talk. She still, however, has a long road ahead of her and many hours of physical therapy. She will soon be moved to a nursing facility for an indefinite period of time.
