On the Way to Running Y

This section includes points of interest and side trips along the way to the resort. For the most direct route, see "Driving Directions" below.

From Portland/Eugene, OR

Drive south on I-5...

Make **Roseburg** one of your first stops. Located in the **Umpqua Valley**, the town is rich in Oregon history and culture. The **Douglas County Museum** contains artifacts that cover 8,000 years of state history. There are also six wineries in the area where you can taste some of Oregon's finest wines, and the **Umpqua River** offers spectacular views.

The **Rogue River** runs through **Grants Pass**, known as the white-water-rafting capital of Oregon. While in Grants Pass, be sure to visit the town's many historic homes and fascinating antique shops. A jet boat tour on the Rogue will introduce you to rugged canyons and local wildlife.

From I-5, take Hwy 199 South to Hwy 46 East...

Drive through the **Siskiyou Mountains** to explore **Oregon Caves National Monument**, where guided tours lead past intriguing canyons and corridors.

Back on I-5, heading south...

Just off I-5 is the town of **Gold Hill** and the **House of Mystery** where gravity has strange effects.

Jacksonville, farther south, is also a short detour off I-5. This old Gold Rush town features museums. Continuing south you'll come to the city of **Ashland**. From mid-February through October, Ashland hosts the award-winning **Oregon Shakespeare Festival**, presenting afternoon and evening plays on many unique stages. Other attractions in Ashland include art galleries, antique shops, boutiques and Victorian homes.

From Bend, OR

Drive south on Hwy 97...

Hwy 97 South will take you through the beautiful **Deschutes National Forest**. You can explore the world's largest obsidian field at **Newberry National Volcanic Monument**. See Newberry's five-mile-wide caldera, many deep lakes and sparkling waterfalls. **Paulina** and **East** lakes at **Newberry Crater** are two of Oregon's best fishing holes. Get an astounding mountain view at **Paulina Peak** or challenge your rock-climbing skills at **Smith Rock State Park**.

Continue south on Hwy 97, then west on Hwy 138...

Hwy 138 West leads to spectacular **Crater Lake** and **Crater Lake National Park**. With its calming deep-sapphire-blue water, it is hard to believe that Crater Lake was formed over 7,000 years ago by a violent volcanic eruption. The park includes a rim loop drive, the historic **Crater Lake Lodge** and boat tours to **Wizard Island**.
Continue south on Hwy 97 ...

From Sacramento, CA

Drive north on I-5 ...

You will come to **Redding** and the **Whiskeytown Shasta-Trinity National Recreation Area** and **Shasta National Forest**. Here you can visit the **Lake Shasta Caverns** and the dam at **Lake Shasta**. Local museums feature exhibits from Gold Rush days and Native American artifacts. **Mt. Shasta**, at 14,162 feet, is the next scenic stop. The **Mt. Shasta Fish Hatchery** produces five to ten million trout annually, and the nearby museum contains interesting geologic and human artifacts.

Travel north on Hwy 97 to **Klamath Falls**, or continue north on I-5 until you reach **Ashland**.
