## *From Your Chapter Director...*

Hi Everyone,

Well, I'll start by apologizing for being away from some of the chapter functions, but I'm still going to be working swing shift or nights. Sorry for not doing newsletter articles in the last couple of months. Things are coming together in the Willis household.

The officers meeting in Ellensburg went real well as we had (5) five chapter "P" members there. Plus the Green Freezes have come and gone, which means summer is almost here. As the riding season is here, keep a eye on the calendar and plan those seasonal events, before they pass by.

Things are going well with the Teddy Bear Tour which is set for Sunday June 6, 2004. Plus we are selling raffle tickets for a Harley Davidson (collectable) Scooter. We are going to have the GWTA Northwest Wings Drill Team at the end of Teddy Bear Tour. A grand prize is a (2) two night stay at the Fort Casey Inn (officers quarters).

We had our 2nd annual Blood Ride, that takes place around tax time, and it went really well. Then we went to the Ballard Locks for a picnic lunch and we had a nice day for it as NO RAIN. We had a lot of fun and we were among friends.

### *HAPPY MOTHER'S DAY!!!!!!!*

I hope everyone had a great April. We certainly had some wonderful riding weather.

April 3rd several of us rode to Chapter C's meeting in Everett. It was a beautiful morning and you could see every mountain range clearly!

April 4th, Ed Douglas led a ride on the other side of the Narrows bridge with dinner at the Lil Red Barn. A lovely ride and time with friends.

April 11th, a bunch of us rode over the North Cascade Highway to Winthrop and Twisp. It was a gorgeous day. We were able to check out the rooms at the hotel in Twisp. The owners are looking forward to our being there and want to plan a barbeque for us.

April 17th was the "Blood for All and All for Blood" ride. Six people were able to give blood. The Puget Sound Blood Center was very appreciative. We then rode to the Ballard Locks for a picnic, then off to Art & Candee's for delicious strawberry shortcake.

April 24th, Mike Wilcox, Mark Morrison and I rode up to Lynnwood and attended Chapter X's meeting. We were supposed to go on to Mt. Vernon for the first day of Chapter S's Lime Run. Welllllll....we didn't make it. We had some time after the meeting so decided to stop at Lynnwood Cycle

Barn. They gave us a 24 hour Harley rental for the Teddy Bear ride!

Then Mark wanted to go look at the used bikes. Well, there was this really pretty trailer in the back corner and it was such a good deal, I just couldn't pass it up. So, we ended up spending a couple hours getting the right hookup for my bike. Needless to say, we never made it to Mt. Vernon.

April 25th was Chapter P's General Meeting. It was great to see so many Chapter P members!!! After the meeting we took a group picture which turned out great! Check it out on the website <http://www.pbwings.org/index.html>

We have a very busy month ahead. The Teddy Bear Tour is only 37 days away. The May 13th business meeting is when we will get all the prizes sorted, put together 300 ride envelopes, make more lists and check them twice. Everyone's help is greatly needed. The meeting will be at Ed's & My new house. Watch the phone tree for directions.

Teddy Bear T-Shirts will be handed out at the May general meeting.

Hope to see you at the Burger Express for our social on Thursdays!

## *From Your Ride Guide....*

We all learn from our mistakes, at least I try to. As most people know my riding style has a tendency to go a little over the speed limit (5-10 over on the freeway), and yes, I twist it on the secondary roads too. I consider myself a safe rider; I just like to twist the throttle a little more than some.

A large percent of the rides that Chapter P does is with me in the front so you've gotten used to my riding style. I have never asked if speed bothers anyone and I don't remember anyone criticizing me. But now we have new members and some members have joined in some group riding that we don't see all that often.

The reason for this is the last two group rides I was on (and I was leading one of them) I asked someone to close up the gaps so that cars couldn't get between the bikes. That's when I was informed I was going to fast for them. They were having trouble with the headlight glare of the oncoming traffic, and the road was wet so he was becoming nervous. That's fine; we'll move to the right and slow down, no problem.

Then another ride our chapter was on, another member was having difficulty keeping up, only this time, nothing was said until later. My front wheel will try and stay as close to your tail-light as possible and yes I've left many donations to the CHROME GODS on corners I've taken to fast. I assume you ride my style of riding. I have my

share of asphalt rash so maybe I'm not the one to follow.

My point being that we should talk to the other riders in our group, set a speed where everyone is comfortable, or like I earlier said make 2 groups. Nothing is going to scare a chapter member away faster then if he can't keep up or feels uncomfortable riding in our group.

Isn't this what we joined for, to enjoy our motorcycles and the friends we choose to ride with. Don't hesitate to speak up and let the leader of the group know if you or someone else is having a problem with anything about the riding style. We want everyone to have a good time.

Becky lets me know when she's not having a good time and I've lived thru that, so you telling me to slow down can't be nearly as bad, believe me.

I will try to remember to talk to the others in the group and then adjust my riding style to yours, but remember if nothing is said, I will just assume everyone there wants to ride the way I like to ride.

Be Wise, Be Careful, Mike

## BUSINESS MEETING NOTES FOR APRIL 8, 2004

Donnie Willis, Chapter Director, was not able to attend since he is still working nights. Barbara Dunn, Assistant Chapter Director, led the meeting which was held at the home of Mike & Becky Wilcox.

**Treasurer's Report:** Connie Brown, treasurer, was not able to attend.

**Sunshine Report:** Jo Hunt was not present but Barb read the list of birthdays and anniversaries for April.

**Webmaster:** Mark Morrison has been updating the website daily. He has received a request from The Biker's Den to put a link on our website to their site. (Everyone said that they thought it was ok.) He will put any updates about new rides on the scroll bar so it can be found easier.

**Newsletter Editor:** Becky Wilcox needs everyone to get their articles in to her for the next newsletter. Art & Candee Alton will write their "New Members" article for this month's newsletter.

**STP Coordinator:** Robin Ricketts attended the GWTA State meeting and met with Jerry Weltner, the State STP Coordinator. Chapter P will cover the route from the Longview Bridge to Scappoose on both Saturday and Sunday. Jerry had wanted Chapter P to cover that route on Saturday but then change on Sunday to cover Scappoose to Portland. Apparently there was a miscommunication and we back on the original plan for both days. He had meant Chapter P from Oregon was going to cover the route to Portland. During the meeting, it was brought up that volunteers at the base stations for the different chapters were upset since they were not counted for their chapter nor did they get t-shirts since they were not out riding the course so they were not going to volunteer any more. Jerry soon changed his mind and these volunteers will be counted for each chapter and given a t-shirt. By the general meeting, rooms will be reserved at the hotel. The new ruling for this year is that as long as there are bicyclists on the route, we escorts will be on the route until all bicyclists have completed our section. In past years, some escorts have quit

early and left riders unescorted. Also this year, the escort riders can ride in pairs and ride 10 minutes a part so the route is well covered.

**Ride Guide:** Mike Wilcox asked if the chapter wanted to put an ad in the magazine, Full Throttle, but it was decided with ads on the radio and in other magazines like Consumer New, Sound Rider and the GWTA magazine, we should be ok. The Blood Drive is Saturday, April 17<sup>th</sup>. We are leaving from Fred Meyers in Puyallup, donating blood and then riding to Ballard for a picnic at the locks. Please call Barb and let her know if you are going to donate blood.

The Lime Run is April 24<sup>th</sup> -25<sup>th</sup> in Mt. Vernon. He will be going up on the 24<sup>th</sup> to gab & to catch up on the gossip. He will leave from the Park-N-Ride at I-5 & 272<sup>nd</sup> on the 24<sup>th</sup>. The time will be posted to later.

The Highland Fling at Tacoma Motorsports is the 25<sup>th</sup> of April after the general meeting. We will leave the meeting and go straight to the Highland Fling to register & ride.

Saturday, April 9<sup>th</sup>, Mike is going the Chapter O's meeting and then to South Sound Honda. He is not going to Chapter E's meeting as the website says, but everyone else is welcome to go.
